Organising a large group can sometimes be a little daunting, so we've put together a few easy steps to help you on your way.

1. Give this PDF a good read to gain a better understanding of who we are, some of the experiences we offer and what your group might expect on the tour.
2. Rather than selecting specific itinerary locations, we suggest a broader consideration of your tour in terms of the number and also the types of experiences to suit your group. For example, a typical tour might include 7x stops including 1x stop for lunch. In turn, this could become 3x wine tastings, 1x tourist attraction, 2x craft breweries and 1x lunch. **We are flexible and create custom tours that are perfectly suited to your group's requirements.**
3. To receive our best value quote, please provide a few details. Complete the quote form in this PDF, email or call us with:
 - your preferred tour date
 - your name and contact number
 - your pick up location
 - the number of people who'll be joining the tour
 - the number and type of experiences (with or without lunch)
4. Once we've agreed a tour price, please secure your preferred tour date ASAP by visiting our website and paying the \$250 chartered tour deposit. **This deposit will not be withdrawn from your account until your itinerary is fully agreed.**
5. With your tour date secured, we'll work with you to create an amazing itinerary. Once we've agreed the itinerary, the \$250 chartered tour deposit becomes non-refundable and your tour is booked!
6. Time for everybody to look forward to their Margaret River journey. Please note, we request chartered tours to be paid in full at least one week prior to the tour date.

A man and a woman are walking hand-in-hand through a dense forest. The man is wearing a red shirt and the woman is wearing a white shirt. They are walking on a path covered with fallen leaves and branches. The forest is filled with tall, slender trees and lush green undergrowth. Sunlight filters through the canopy, creating a warm and serene atmosphere. An orange text box is overlaid on the upper left portion of the image.

*"We thoroughly enjoyed our day spent with Chris touring wineries and gourmet food outlets in Margaret River. Chris creates a relaxed, congenial environment where everyone feels welcome. **Not only did we have an enjoyable day, it was great value for money**".*
